## 2000 Cabernet Sauvignon

**Vintage:** 2000

**Color:** Dark ruby

**Aroma:** Wild berries, blackberry, mocha, violets, sage and cigar box

**Taste:** Blackberry, red currant, plum, clove, mint, white pepper, and dark-chocolate with a rich mouth-feel, sweet toasty oak with a long, rich finish

**The Year:** The 21st century in the Napa Valley began with the virtually picture perfect growing season. The almost uneventful spring and summer weather pattern, every grower's dream, produced exceptional quality and substantial yields. The light rain in September gave the grapes the extra kick to keep hanging and ripening. The additional hang time allowed the full natural flavors of this Cabernet Sauvignon fruit to develop on the vine. The result was a crop of fruit typical of what has helped make Napa Valley famous; one with excellent color, fully developed flavors and great acidity.

**Harvest:** October 11, 2000 – October 24, 2000

Brix 23.2 pH 3.66 TA 0.61

**Aged:** 19 months in French oak 225 liter cooperage - 40% new oak.

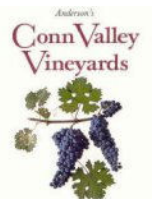

**Bottled:** July, 2002

**Release Date:** August, 2003

**Alcohol:** 13.2%

**Varietal:** 100% Cabernet Sauvignon

**Appellation** 100% Estate grown and bottled, Napa Valley, California
