

# *Sauvignon Blanc*

**Vintage:** 2010

**Color:** Light straw blond

**Aroma:** Ripe melon, pear, hint of spice, golden figs and citrus

**Taste:** Crisp and tangy, medium finish with a hint of vanilla in the aftertaste. Great mouth feel, fruit should get even better over the next 2-4 years.

**The Year:** With few exceptions, this year was slightly cooler than normal overall with healthy grapevines appellation-wide. Additionally, the region's comprehensive green initiatives and innovative farming practices mitigate much of the season-to-season variations, ensuring top quality wines year in and year out from the Napa Valley. The only lament from winemakers is that tonnage is off in some sites by as much as twenty percent, though the yields vary site-to-site appellation wide.

**Harvest Date:** October 18, 2010

**Brix:** 25.1

**TA/pH:** .056/3.45

**Bottled:** July 2011

**Released:** July 2011

**Varietal:** 100% Sauvignon Blanc

**Alcohol:** 12.8

**Appellation:** 100% Napa Valley, 100% 2010Vintage
