

Signature

Vintage: 2010

Color: Intense dark purple with a slight red edge

Aroma: Incredibly layered with black, blue, and red fruits. The back drop has that traditional cassis you'd come to expect with Cab, but streaks of blackberry, red berries and plum, and touches of blue berry make the nose extremely complex and powerful. The smoke and tar elements from the oak accent and don't over power this wonderful collage of fruits. Highlights of crushed roses, blue flowers and anise round out this ethereal monster.

Palate: The palate follows the nose with of expressive black, blue and red fruits, licorice, anise, tobacco, smoke, rosehips, and violets. What stands out is the massive structure of this wine! There are some broad shoulders to support the abundance of fruit. This wine should be put away if you can keep your hands off of it.

The Year: 2010 in Napa started cool, and wet for those who bud earlier than we do here in Conn Valley. The summer brought some high temperatures, and intense sun. Our team's know-how and vast experience led them to keep a well developed canopy to protect us from sunburn and shriveling. The last stage brought a heat wave in September and then cooled off for slow and even ripening. This is a vintage we are extremely excited about, it truly shows off how wonderful a spot we have in Conn Valley, and how skilled our team is at growing grapes and making wine.

The Wine: The 2010 Signature is 100% Cabernet Sauvignon from the best two barrels from our estate from the 2010 vintage. This is the best of the best.

Harvest:	October 21 - November 5, 2010
Brix:	23.8
TA/pH:	0.67/3.58
Bottled:	November 2012
